Housewarming WEATHERIZATION PROGRAM

TERMS OF SERVICES

Dear Customer,

Dominion Energy Ohio (DEO) has implemented a Weatherization Program with the assistance of the CHN Housing Partners, Inc. (CHN). This program is designed to provide residential assistance to increase the energy efficiency of dwellings owned or occupied by DEO income-eligible customers, reduce participant's household energy expenditures and improve health and safety to eligible residences. All weatherization services will be provided by contractors of CHN. DEO will not be responsible for providing these services.

Before weatherization services can be provided, a trained and program-certified inspector under contract with CHN will visit your home to determine what weatherization services are needed. The inspection process may take several hours and the inspector must have clear access to the attic, living spaces, crawl spaces and basement.

PLEASE TAKE NOTICE THAT IF THE INSPECTION REVEALS AN UNSAFE CONDITION, GAS SERVICE MAY BE DISCONTINUED UNTIL THE UNSAFE CONDITION IS CORRECTED. Weatherization cannot be completed until all unsafe conditions are corrected.

After the inspection, the inspector will explain to you the work that needs to be done, will complete paperwork, and will contact the contractor(s) that will be doing the work on your home. The contractor(s) will then contact you to schedule an appointment to complete your weatherization work. Upon completion, the inspector will come back to your home and make sure that the work was done correctly. Your Dominion Energy Ohio gas usage and billing history, 12 months before and after weatherization, will be released to CHN Housing Partners to evaluate the Housewarming Program.

By my signature below, I have read and ACCEPTED the above terms and services provided by the Weatherization Program. In consideration of the receipt of an initial inspection, and the receipt and installation of weatherization materials, I hereby release, acquit and forever discharge Dominion Energy Ohio and its officers, agents, affiliates, employees, successors and assigns, of and from any and all actions, causes of action, including by way of illustration but not by limitation, claims, demands, damages, costs, loss of services, expenses and compensation, which I now or may hereafter have, or that my heirs, executors or their administrators can or may have against Dominion Energy Ohio or their officers, agents, affiliates, employees, successors and assigns, on account of, or in any way relating to, the initial inspection and the weatherization materials provided, as well as the installation and use thereof. If the home is <u>not</u> an owner occupied residence and a furnace installation is required, the landlord may be required to pay the cost of the installation, less \$500 or 50% of the cost, whichever is less. By signing below, landlord agrees not to raise the tenant's rent as a result of weatherization improvements to the home.

I understand and acknowledge that the CHN and its contractors are providing and installing all weatherization materials, and that no weatherization services or materials will be provided by DEO. I further understand that all weatherization materials will be provided on an "AS IS" basis, and that Dominion Energy Ohio DISCLAIMS ALL WARRANTIES, IMPLIED OR EXPRESSED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO SUCH GOODS, THEIR INSTALLATION, OR THE RESULTS OF THEIR INSTALLATION. I also acknowledge that any energy savings projected as a result of the installation of weatherization materials are only an estimate.

I authorize Dominion Energy Ohio to release to its designees information about the gas account at this home and about weatherization materials installed on the property at the address below.
