

On **June 26, 2015** volunteers from Cleveland Housing Network- Erie Square Apartments, and Morgan Stanley will build a great new place for kids to play in ONE day. The project is in partnership with KaBOOM!, the national nonprofit dedicated to giving kids the childhood they deserve by bringing play to those who need it most.

A project kick off meeting took place on **April 23!** The meeting was led by Rachel Malkusak, a KaBOOM! Project Manager. The day featured a walk of the future play ground site, a portion especially for children, and a planning session for adults.

The children were able to draw pictures of their dream play ground and provide input on the play equipment they would like to see on their playground. During the adult session the pictures created by the children were used to narrow down the play equipment for the actual playground that will be built by community volunteers on June 26, 2015.

Cleveland Housing Network would like to extend a special thank you to Morgan Stanley and KaBOOM! for this wonderful opportunity!
